

GARDEN BOOK SALE

Yamagami's Nursery has generously offered to host a Garden Book Sale for WHS on Saturday November 12th from 10:00 a.m. to 2:00 p.m. They will advertise the sale to their customers, both as a time to purchase garden-related books and as a time to donate books to be sold. We will actually sell the books and collect the money, all of which goes directly to WHS. The event will take place in the seminar room at the nursery. We are requesting gently used books and payment will be by cash or check.

Bring new or gently used books to the WHS meeting on November 9th or take them any time to Yamagami's to be stored in their warehouse until the day before the sale.

We need volunteers to transport the books, sort and label them on Friday November 11, and work on the day of the sale. Please contact Rosalie Shepherd to volunteer: shep8283@earthlink.net or 650-321-8283.

Don't miss coming to the sale yourself. What an opportunity to find the book you have always wanted and benefit our organization at the same time!
