WHS October Speaker

October 10: Dennis Makishima

Arborist and Professor at Merritt College

“Aesthetic Pruning of Small Trees and Shrubs in the Urban Setting”

Dennis Makishima considers his work to be a combination of horticultural science, bonsai aesthetics, communication and creative interpretation. To date, he has successfully pruned over 10,000 trees and taught over 500 workshops and classes across the United States and abroad. His interest in tree pruning started in 1980 when he practiced on a friend's tree. That blossomed into a full time career by 1984. Although mostly self-taught, he enhanced his skills by attending Merritt College and later became an instructor there in the Horticulture Department. To better understand tree aesthetics, in 1982 he took a Bonsai lesson and later trained for 1 1/2 years as a bonsai apprentice in Toyohashi, Japan. To date, His bonsai collection numbers over 500 trees, many of which are featured in the 2002 Sunset Bonsai Book. Other achievements include creating the Merritt College Aesthetic Tree Pruning program, serving as the President of the Golden State Bonsai Federation, and organizing a professional aesthetic pruners network. Besides his love of trees, Mr. Makishima cherishes his role as teacher to others.

Our monthly meetings feature the speakers listed above; doors open at 7pm and meetings begin at 7:30. The location is Covington School, 205 Covington Road, Los Altos. Please also join our speaker for dinner prior to the meeting at Chef Chu's at 5:30pm at the corner of El Camino Real and San Antonio Avenue. This is a terrific opportunity for our members to get to know each other better, and to get to chat with our speakers. Please call Pat Knight to confirm at 650-941-6136. Would you like to sponsor a lecture for the WHS that is of particular interest to you? It would be much appreciated! Please call Pat Knight at (650)941-6136 if you are interested.

The next newsletter deadline will be October 17th. Please call or email Michelle Bond (editor) at 650-363-9244 or michelle@hunzikers.org for newsletter content. Please contact Claudia Stopp at 408-370-6936 or cjsubhi@sbcglobal.net with any changes of address.

Important - Dues Renewal Reminder!

It is that time of year again; our membership year is from September 1 through August 31. It is important to renew without delay to ensure the smooth continuation of your subscription to Pacific Horticulture magazine and to keep the coffer in the black. There are established deadlines, so the process of transferring information can be made in a timely manner. We urge you to send in your dues now. With the September newsletter you received the membership renewal form; if it has gone missing, you may download the form from our website at www.westernhort.org. Prompt renewal helps those who have to coordinate with Pacific Hort people, the newsletter editor (we try to keep members notified of new members,) as well as the volunteers who put together the information for labels and mailing, etc. We look forward to your participation in the activities we have planned for you this coming year. Thank you! ~Claudia Stopp

Raffle Table

Thank you WHS board members for the wonderful plants on the September raffle table. If you missed it — there were variegated Brunnera to die for! October is our month for the general membership to supply the table. Remember, if you live in an LBAM quarantine area, do not bring plant material to the WHS meeting. But think about what plant *related* items you might have to share: seeds, books, magazines, tools and special containers are all welcome. ~ *Nancy Schramm*

Proposed Western Hort Spring Fundraiser

The WHS board would like to know how many of you are interested in participating in a plant sale next spring. Members can help by propagating plants, offering ideas for the sale and manning the booth on the day of the sale. Please contact Bill Kurtz (408-243-3692), Chris Egan (965-948-4614), or Elizabeth Garbett (650-948-4001) to let us know of your support and ideas. ~ *Chris Egan*

Making our Meetings More Beautiful!

Have you noticed the colorful 'horticultural' arrangements on display at our monthly meetings? We are fortunate to have some very talented WHS members. Liz Calhoon has been bringing her wonderful displays for several years and she never fails to inspire. Thanks you Liz, for taking the time to make such lovely displays, and for your creative effort. At our last meeting, Niki Muller brought in a great basket of herbs, veggies and fruits from her garden — "Today's Picking's" she called them, and they were mouth watering. Claudia Stopp brought a beautiful arrangement of zinnias - the variety and colors were sumptuous. As always, Kerry Barr's bulletin board display was beautifully done, as well. Finally, thanks to Pat Knight for her signs — there is nothing plain about them! Thank you everyone for adding such warm visual touches to our meetings. We encourage your additions! ~ *Janice Gilmore*

28 Years Ago in the WHS...

This month's look at WHS history should actually be re-named 'Octobers Past!' Just for fun I looked back at earlier years and found a whole list of 'headliners' in October. In 1975, 32 years ago, Albert Wilson spoke on "Locating Plants in the Garden". His book How Does Your Garden Grow? had just been published. The next year, 1976, October's featured speaker was Rosalind Creasy "Landscaping with Edible Plants". Always a favorite, Creasy has a new book coming out in a years time, and your speaker committee hopes to have her back for a talk in spring 2009. In 1978 WHS was fortunate to have Wayne Roderick speaking on "Early Plant Explorers of California". I'm sure it was just a sneaky way to talk about the CA natives so dear to his heart. WHS has been lucky to have many such illustrious speakers over the years. Let your speaker committee know of any well established OR up-and-coming speakers YOU 'D like to hear! ~ *Nancy Schramm*
